Subject: Obligation to Declare Normal Body Temperature and Lack of Symptoms Before Entering the HUJI Campus; and Obligation to Wear Mouth and Nose Mask While on the HUJI Campus

We are pleased to announce the launch of an application in three languages, to address the emergency directives on this subject.

In accordance with the Corona Emergency Directives, it is strictly prohibited to enter the workplace with body temperature of 38 degrees Celsius and above, or with symptoms of the illness, such as cough and/or breathing difficulties. Further, it is strictly prohibited to enter the workplace without wearing a mouth and nose mask.

Every person who has been approved for entry to campus must complete and submit a personal declaration every day before entering the campus, and they must submit notification at the time that they leave the campus.

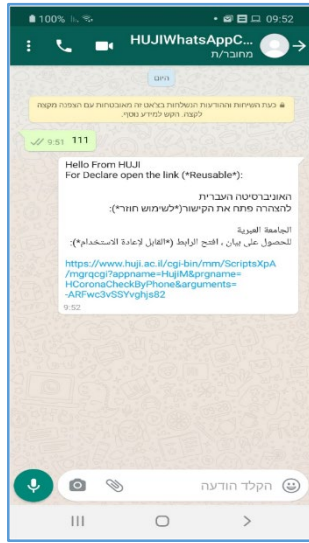

INSTRUCTIONS FOR COMPLETING THE DECLARATION (the instructions are accompanied by illustrative screen captures):

- 1) From your personal mobile phone, click on the following link: [Declaration Form](#). Please note: use of the system is personal, for every user.
- 2) The link will launch the **WhatsApp** application on the user's mobile phone, and an appropriate chat will open. In the WhatsApp chat, **enter the word IN or the number 111**. In response, you will receive a link to the Declaration Form.
- 3) Please fill out all of the information on the Declaration Form. When done, click "**OK and submit form.**" **It is mandatory to fill out all of the information on the form.**
- 4) After you click OK and submit the declaration, you will receive a WhatsApp message that contains a confirmation that you completed the declaration. You must present this confirmation to the security guard at the campus gate .
- 5) The confirmation certifying that you have completed the declaration form appears on a background whose color changes from day to day (e.g. – blue background on Monday, green background on Tuesday etc.). The confirmation will contain the declarant's information and the date and time when the declaration was submitted. You must present this confirmation, as well as mouth and nose mask and personal ID document, to the security guard at the campus entrance gate.
- 6) When leaving campus, **type OUT or 222** .
- 7) You must fill out a new declaration every day. Please complete the declaration before you reach the campus entrance, in order to avoid any delay when arriving at the campus entrance.
